**The Street Food traders** also get a nominal 3x3m pitch in Fore Street but this can be varied if you have a trailer that doesn't fit within that space. Please contact us to discuss your particular needs. We are planning to provide electrical power for food traders this year.

**Suitcase traders** get a 1.5x1.5m pitch in Fore Street and we generally try to place them in a related group of traders.

**Indoor traders** (Artisan(Indoor)) get a 2m wide table space at an indoors venue. This year we have an agreements with Emmanuel's Yard and Trowbridge Town Hall. Indoor traders are expected to supply their own table or stand and will not have access to power unless otherwise agreed – please contact us to discuss any specific requirements.

**COVID RESTRICTIONS;** We will be assessing the Covid restrictions in place before each market and confirming that it will go ahead TWO WEEKS before each market. We will then ask for payment for your pitch.
