

## CHAMBER MEMBERSHIP LAUNCH - JULY 2021

The new Trowbridge Chamber of Commerce launches in July 2021 and aims to be the voice and central point of contact for local businesses, linking fellow members, creating business opportunities, organising networking and other business community events, making regional connections and encouraging inward investment.

The Chamber represents local business interests to Trowbridge Town Council, Wiltshire County Council and the media, shares news of grant funding, training and business opportunities and has active and expanding social media platforms.
